

A JOINT VENTURE

Setting the Standard in **Ship Repair Services**

► ABOUT US

Nico International and **UW Group** bring over 70 years of combined experience and a shared commitment to excellence. Their joint venture represents a new standard in shipping services, uniting global reach, local expertise, and innovative solutions to take maritime services to the next level.

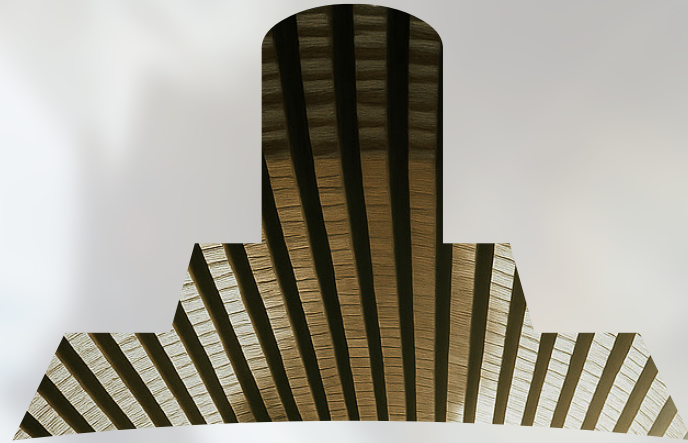

Nico International has been a leading maritime services provider in the Arabian Gulf since 1973. With a comprehensive range of solutions, Nico International supports customers across the globe, delivering reliability and expertise that have earned it a distinguished reputation in the maritime sector.

UW Group is a global leader in shipping representation, anchored by its two cornerstone companies:

UMAR Shipping Services Ltd and **WSR** Services Ltd.

Representing some of the largest and most reputable organizations in the maritime industry, UW Group combines extensive experience with innovation to deliver exceptional services worldwide.

Since its founding in 2000, UW Group has grown into a globally recognized organization, setting new benchmarks in shipping excellence.
